Western Area Development Days are a new format designed to allow everyone to meet together and enjoy a mixed days training and development.

This session welcomes all grades Minors to Juniors. All County and Club Coaches are encouraged to come along and join in as part of our pathway development to support each other and help support the Judoka. The day will be split into a 3 training units and allow the different Age Groups to be targeted at their own level of development by our Area & Guest Coaches.

We also hope to arrange club development opportunities for parents and volunteers

Saturday
30th March
2019
11 am to 4pm
